7/23/01

**RECENTLY, INTRUDERS WERE APPREHENDED AT BUDGET RENT- A-CAR, AS A DIRECT RESULT OF ACKERMAN SECURITY SYSTEMS QUICK RESPONSE.**

Pictured is Ackerman Security Systems Alarm Response Operators Stephanie Ancrum, who has recently received a cash bonus for participating in an actual intruder apprehension by the police department.

The recent rash of apprehensions of suspected burglars by our police departments as a direct result of alarms transferred to them by Ackerman Security Systems Alarm Response Operators is proof positive Ackerman's alarms work!

Ackerman Security Systems is one of the only alarm companies in metropolitan Atlanta that has it's own company owned U.L. (Underwriters Laboratory) approved and certified 24 hour local monitoring center that provides monitoring services only for Ackerman clients. Ackerman's state of the art facility is one of the most advanced in the industry, and has been visited by many security, insurance, and police officials wanting knowledge about what's the most current protection available.
